## About me

### Special points of interest:

- I love sports- basketball, football, soccer, you name it and I love to play it.
- I am good with arts and crafts. I love photography and scrapbooks too.
- I am diabetic so if your child has Diabetes I am able to take care of him or her.

### Experience

- 1) Nanny for 3 kids for the month of January 2006. The parents were out of town so I was the parent of an 8, 9 and 13 year old.
- 2) Babysat a 6 and 3 year old during the summer of 2005.
- 3) Volunteered at the Boys and Girls club several times a month during my highschool years.

I am a 20 year old business major at UNT. I plan to own my own business after graduating. I also plan to do many mission trips throughout my life time. I cannot wait to travel the world. I absolutely love kids and they have a huge part of my heart. I plan to work with kids the rest of my life.

Whether it is helping kids in a underprivileged country or being the mother of kids I plan to adopt, I want to be a part of children's lives. I have spent the last 11 years of my life living on the coast of Mississippi and I moved here to Denton in August 2006 to attend school. So far I love Texas and keep wondering why I did not come here sooner!

I like all sorts of activities and love to be outside. One of my favorite things to do is run. I have experience working with many different types of children and I am able to adapt well to new environments. I am energetic and outgoing so I can definitely keep up with kids. I can do anything from help with homework to playing baseball outside.

### Qualifications

I have been babysitting for several years now. I have a great driving record without and wrecks. I also take care of the kids from time to time for children's church at the church I go to.

Being a nanny of three kids has taught me more than any other experience has. I have learned so much patience. I am able to balance having fun while still being respected.

I am a responsible person and will take care of your kids as if they are my own. I have references available upon request.
